FOUNDERS VISION

SANJAY GUPTA
CO-FOUNDER

A visionary entrepreneur and design enthusiast, **Sanjay Gupta** leads Parallel with a focus on innovation, precision, and timeless architectural excellence. His dedication to elevating everyday spaces has helped establish Parallel as a symbol of modern luxury and craftsmanship.

A LEGACY OF CRAFTSMANSHIP. A FUTURE OF INNOVATION.

At Parallel, we create doors, windows, and architectural solutions that elevate every space.

Backed by 25+ years of expertise, we blend precision engineering, advanced technology, and modern design to deliver elegant, durable solutions.

- Bespoke Design Solutions
- Exceptional Thermal & Sound Performance
- High-Performance Aluminium Systems

Where design meets precision, we deliver architectural solutions that elevate modern living. Blending elegance, performance, and innovation, every space is meticulously crafted to inspire and endure.

PRODUCT ANATOMY

Every aluminium door or window is made up of three core components:

► The Aluminium Profile

Acting as the structural backbone, the aluminium profile provides exceptional strength and durability. It is designed to withstand harsh weather conditions while maintaining a sleek, minimalist aesthetic that maximizes your viewing area.

► The Glass Panel

As the visual core of the system, the glass panel does more than just offer a clear view. High-quality glass provides essential natural lighting, energy efficiency, acoustic insulation, and enhanced safety for your interiors.

► The Hardware System

Precision-engineered hardware ensures effortless daily operation and maximum security. From smooth-gliding rollers and durable hinges to robust multi-point locks and weather-tight seals, these components guarantee long-lasting, reliable performance.

PRODUCT RANGE

SLIDING DOORS

106mm/159mm Series

- 18mm ultra-slim sightline with optional 65mm sash bars.
- Large panels up to 7.5m² / 250kg, fully customizable.
- Available in all Custom RAL finishes.

ALUMINIUM RAILING

Enhance your spaces with premium aluminium railings that combine modern aesthetics with long lasting performance. Designed for balconies, staircases, terraces, and commercial spaces, our railings offer the perfect balance of durability, elegance, and security. Aluminium railings are lightweight, corrosion resistant, and require minimal maintenance, making them an ideal choice for both indoor and outdoor applications.

SKYLIGHT

BRING NATURE INDOORS

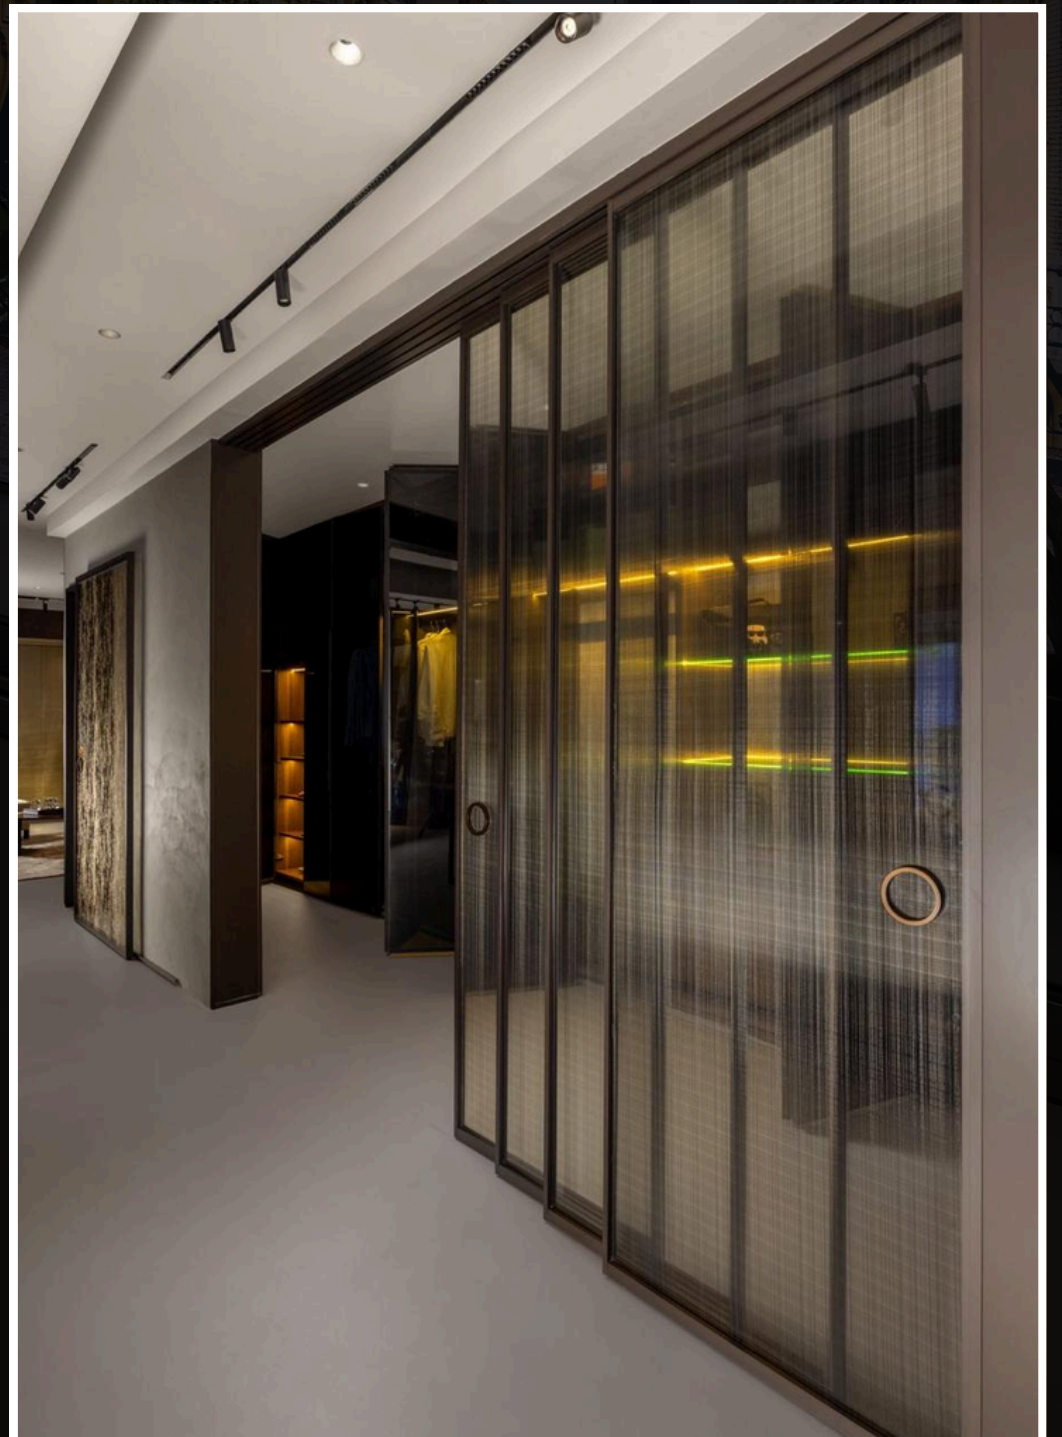

Transform your interiors with abundant natural daylight through our premium skylights. Designed to brighten every corner while enhancing aesthetics, comfort, and energy efficiency.

INTERNAL PARTITION

Create Smart, Stylish Spaces

Internal partitions are modern space dividing solutions that help organize interiors without permanent construction. They enhance privacy, improve functionality, and add a refined architectural touch to homes, offices, hotels, and commercial spaces.

SHOWER ENCLOSURES

Transform your bathroom with premium shower enclosures crafted from toughened safety glass and premium hardware. Designed for elegance, durability, and a clean, modern bathing experience.

WARDROBES

Organized Luxury. Designed Around You.

Transform your bedroom with wardrobes that blend elegant design, intelligent storage, and flawless craftsmanship. Every wardrobe is thoughtfully designed to maximize space while complementing your interior with a sophisticated finish.
